Why You Should Advertise

Family practice decision makers respect this journal and consider it a credible and reliable source of information from fellow family physicians as well as a resource for products and services pertinent to their practice and efficient office operation. Advertising in the journal accurately targets the decision makers you require and reflects your support of the professional association. Over 98% of the state's family physicians belong to the association. This journal is absolutely the best vehicle to reach them all. Your presence in *Florida Family Physician* stands out and distinguishes your leadership among your peers.
