

**Florida Academy of Family Physicians  
2022 Legislative Session  
January 21, 2022 - Week 2**

---

The second week of the nine-week legislative session concluded with the Capitol Complex bustling at pre-pandemic levels. Several associations and industry groups visited the legislature, complete with displays and handouts. Florida Bankers Day, Tourism Day, Trucking Day, and Broward County Day were just a few walking the halls of the Capitol.

Legislative committee agendas were also packed with bills under consideration, many receiving their first hearing in the process. The legislature also continued to move forward with their respective plans for redrawing legislative and congressional district boundaries.

**2022 Doctor of the Day Program**

As mentioned in this week's FAFP News, FAFP Board Member Dr. Michael Cromer served as Doctor of the Day on Tuesday January 18. Pictured here with Representative Susan Valdes (R-Hillsborough, center) and Hillsborough County Medical Association President Elect Dr. Eva Crooke, Dr. Cromer made excellent use of his time by visiting with 11 legislators from the greater Hillsborough area.
