

# FLORIDA ACADEMY of FAMILY PHYSICIANS FOUNDATION

Improving the healthcare of all Floridians by funding education, research, and community outreach programs for medical students, residents, and family physicians - FAFP Foundation

## 2026 Paying it Forward

--Resident Educational Grant Campaign--

### Up to \$750 Resident Education Grant

The FAFP Foundation realizes that not all residents are capable of attending FAFP Continuing Medical Education weekend meetings due to financial limitations. The FAFP Foundation board approved the **Paying it Forward** campaign which works as follows:

- Florida Family Medicine Residency Programs with seven or more (7+) slots and paying for at least three residents to attend an FAFP CME weekend meeting will receive a \$750 grant to help subsidize the associated travel expenses (i.e., send two get one free). Each program is limited to a single \$750 grant per meeting.
- Residencies with six (6) or fewer slots can receive the following grant funding per residents they send to a CME weekend meeting: \$250 for one resident, \$500 for two and \$750 for three.
- The grant is retroactive, so the application below must be filled out and sent to the FAFP Foundation no later than 30 days after the meeting to receive the funds. \*

The FAFP Foundation hopes to expand the program in the future as financial resources increase, either by broadening the criteria or even opening up to individual resident educational grant requests. Resident directors and residents are encouraged discuss this opportunity and plan on their residents' attendance accordingly.
