

Florida Academy of Family Physicians
2026 Legislative Session Capital Update – Week 8
March 8, 2026

The Florida Legislature will not complete its work on time due to budget negotiations that House Speaker Perez summed up as a “fundamental disagreement” over state spending. The Legislature will spend its final week debating legislation unrelated to the budget while also contemplating plans for when to return to Tallahassee. As of today, only approximately 50 bills passed the legislature, of the 1,758 total bills filed.

Governor DeSantis already called a Special Session to address Congressional Redistricting beginning April 20 and signaled an additional special session is likely to address property tax reform. The end of the 2026 legislative session feels much like 2025, and legislators are bracing for another long spring, and potentially summer, in Tallahassee.

Family Medicine was once again very present with three FAFP leaders serving as Doctor of the Day. FAFP Past President Dr. Carrie Vey and resident Dr. Alexis Hanlon (Halifax) were sponsored by Senator Tom Leek on Tuesday March 3 while FAFP Board member Dr. Michael Allison and resident Elijah Ibadlit (Morton Plant) were sponsored by Senator Ed Hooper. Rounding out the week was FAFP President Elect Dr. Michael Swartzon and resident Dr. Lexie Morales (Baptist South FIU) sponsored by Senator Ana Maria Rodriguez.
