2023 LEGISLATIVE SESSION UPDATE - WEEK 7

The 2023 Legislative session heads into the homestretch with two more weeks to go after a very busy week 7. Many issues were decided this week and even more teed up for floor debate for these last 14 days of the session. The budget took a back seat to substantive legislation as this was the last full week of committee meetings and the fate of most policy issues hang in the balance. Both the House and Senate will formally conclude their committee meeting schedule on Tuesday and budget negotiations should heat up early next week.

FAFP DOCTORS OF THE DAY

 Representative Tiffany Espisito, and
 FAFP President Dr. Christy Cavanagh

DOCTORS OF THE DAY

Florida Academy of Family Physicians 2023 Legislative Session Update - Week 7 April 21, 2023

Legislation of Interest to FAFP (alphabetically)

Assault or Battery on Hospital Personnel – HB 825 by Rep. Kimberly Berfield (R-Clearwater) and SB 568 by Sen. Ana Maria Rodriguez (R-Doral) reclassify certain offenses committed against hospital personnel while engaged in performance of their duties.

HB 825 passed the House on 4/20/23.

SB 568 will be heard in the Senate Rules Committee on 4/24/23.

Blood Clot and Pulmonary Embolism Policy Workgroup – HB 483 by Rep. Dean Black (R-Jacksonville) and SB 612 by Sen. Clay Yarborough (R-Jacksonville) require the Secretary of Health Care Administration, in conjunction with State Surgeon General, to establish a blood clot & pulmonary embolism policy workgroup.

HB 483 is on the House Calendar.

SB 612 was approved by the Senate Fiscal Policy Committee on 4/20/23 – it's final committee of reference.

Child Protection in Public Schools – <u>SB 1320</u> by Sen. Clay Yarborough (R-Jacksonville) and <u>HB 1069</u> by Rep. Stan McClain (R-Ocala) prohibit an employee, contractor, or student of a public school from being required to refer to a person using personal titles or pronouns that do not correspond with that person's sex, prohibit classroom instruction by school personnel on sexual orientation or gender identity until grade 9. The bills also provide that materials used to teach reproductive health must be approved by the Department of Education and require district school boards to adopt and publish a specified process relating to student access to certain materials. SB 1320 is on the Senate Calendar.

HB 1069 has passed the House and is in Senate Messages.

Concealed Carry of Weapons and Firearms Without a License – HB 543 by Rep. Chuck Brannan (R-Lake City) and Rep. Bobby Payne (R-Palatka) and SB 150 by Sen. Jay Collins (R-Tampa) authorize a person to carry a concealed weapon or a concealed firearm without a specific license provided the person satisfies the training requirements and criteria for receiving and maintaining a concealed weapons permit and produces that identification to law enforcement on demand. The bills also establish a number of school safety programs and protocols including allowing private schools to establish school safety officers and implement school guardian programs with local law enforcement agencies, maintaining concealed carry exclusion zones for schools and school sponsored events, requiring law enforcement agencies to adopt "Active Assailant Response" policies, requiring the development of a statewide school safety behavioral threat management operation process and database, and establishing a "Safe Schools Canine Program" to allow for gun sniffing dogs in schools.

HB 543 has passed the House and Senate and was signed into law by the Governor on 4/3/23.

FAFP Capital Update April 21, 2023 - Week 7

Controlled Substance Testing - <u>HB 165</u> by Rep. Christine Huschofsky (D-Coconut Creek) and <u>SB 164</u> by Sen. Tina Polsky (D-Boca Raton) revise the definition of "drug paraphernalia" to exclude certain narcotic-drug-testing products.

HB 165 is on the House Calendar. SB 164 has passed the Senate and is in House Messages.

COVID-19 Mandates and Treatment Options – <u>HB 1013</u> by Rep. Phillip Wayne Griffits (R-Panama City) and <u>SB 252</u> by Sen. Colleen Burton (R-Lakeland) prohibit business entities, governmental entities, and educational institutions from imposing COVID-19 testing, facial covering, and vaccination mandates. The bills also prohibit hospitals from interfering with patients' right to choose COVID-19 treatment alternatives and require health care practitioners to obtain informed consent about COVID-19 treatment options. The bills require healthcare practitioners who operate or manage and office to establish policies and procedures for facial coverings that are consistent with certain standards. <u>HB 1015</u> also by Rep. Griffits and <u>SB 238</u> also by Sen Burton provide public records exemptions for records held by the state authorizing the disclosure of this information. HB 1013 has been heard in 1 of the 3 committees of reference.

SB 252 was approved by the Senate Fiscal Policy Committee on 4/20/23 – its last committee of reference. HB 1015 has been heard in 1 of 3 committees of reference and is now in the House Committee. SB 238 was approved by the Senate Fiscal Policy Committee on 4/20/23 – its last committee of reference.

Department of Health – <u>SB 1506</u> by Sen. Ana Maria Rodriguez (R-Doral) and <u>HB 1387</u> by Rep. Juan Carlos Porras (R-Miami) are the Department of Health legislative package. The bills prohibit certain research in this state relating to enhanced potential pandemic pathogens, prohibit medical marijuana treatment centers from producing marijuana products that are attractive to children or manufactured in specified manners, require local registrars to electronically file all live birth, death, and fetal death records in their respective jurisdictions in the department's electronic registration system, revise the types of health care practitioners who may make certain determinations of death, extend the timeframe for the confidentiality of certain birth records, and revise revising the scope of practice for audiologists, as it relates to hearing aids to apply to prescription hearing aids only.

SB 1506 was approved by Senate Rules Committee on 4/19/23 – its last committee of reference. HB 1387 is on the House Calendar.

Education and Training for Alzheimer's Disease and Related Forms of Dementia – <u>SB 1182</u> by Sen. Corey Simon (R-Tallahassee) and <u>HB 299</u> by Reps. Dean Black (R-Jacksonville) and Michelle Salzman (R-Cantonment) designate the "Alzheimer's Disease and Related Forms of Dementia Education and Training Act" and require the Department of Elderly Affairs to offer certain education and training about Alzheimer's disease and related forms of dementia to the general public.

SB 1182 was approved by the Senate Fiscal Policy Committee on 4/20/23 – its last committee of reference. HB 299 is in Senate Messages.

Florida Kidcare Program Eligibility - <u>HB 121</u> by Reps. Robin Bartleman (D-Weston) and Dana Trabulsky (R-Fort Pierce) and <u>SB 246</u> by Sen. Alexis Calatayud (R-Miami) increase the income eligibility threshold for coverage under Florida Kidcare program to 300% of the federal poverty level and require that premiums for certain enrollees under program be based on tiered system of uniform premiums.

HB 121 passed the House on 4/13/23.

SB 246 was approved by the Senate Fiscal Policy Committee on 4/20/23 – its last committee of reference.

Gender Clinical Interventions – HB 1421 by Reps. Randy Fine (R-Palm Bay) and Dr. Ralph Massullo (R-Inverness) and SB 254 by Sen. Clay Yarborough (R-Jacksonville) prohibit the expenditure of state funds by specified entities for sex-reassignment prescriptions or procedures, prohibit sex-reassignment prescriptions or procedures for patients younger than 18 years of age, and create requirements for voluntary, informed consent that must be met in order for a patient 18 years of age or older to be treated with sex-reassignment prescriptions or procedures. The bills also create criminal penalties for the provision of sex-reassignment prescriptions or procedures, provide that a practitioner who is arrested for the crime of providing sex-reassignment prescriptions or procedures may have his or her license suspended via emergency order of the Department of Health, require that any hospitals, ambulatory surgical centers, or physician's offices must provide a signed attestation that the facility or office does not offer or provide sex-reassignment prescriptions or procedures for children.

HB 1421- refer to SB 254.

SB 254 passed the House on 4/19/23 and is in Senate Returning Messages.

Health Care Practitioner Titles and Abbreviations – <u>HB 583</u> by Rep. Dr. Ralph Massullo (R-Inverness) and <u>SB 230</u> by Sen. Gayle Harrell (R-Stuart) specify which titles and abbreviations health care practitioners may use in their advertisements and communications to the public. The bills also have provisions for the wearing of name tags when treating or consulting with a patient. HB 583 is on the House Calendar.

SB 230 has passed the Senate and is in House Messages.

Immigration - SB 1718 by Sen. Blaise Ingoglia (R-Spring Hill) and HB 1617 by Rep. Kiyan Michael (R-Jacksonville) enhance fines and penalties on Florida businesses that hire illegal immigrants and authorize Florida Department of Law Enforcement to conduct random audits of businesses for compliance with immigration law. The bills expand the crime of human smuggling to include concealing, harboring, or shielding a person who has entered the United States illegally from detection and repeals the statute that allows an applicant to the Florida Bar who is an unauthorized immigrant to be admitted to the Bar by the Florida Supreme Court if certain conditions are met. The bills also require a person who is in the custody of a law enforcement agency and is subject to an immigration detainer to submit a DNA sample when he or she is booked into a jail, correctional, or juvenile facility, and require any hospital that accepts Medicaid to include a question on its admission or registration forms inquiring about whether the patient is a United States citizen, is lawfully present in the United States, or is not lawfully present in the United States. The bills also require each hospital to provide a quarterly report to the Agency of Health Care Administration, detailing the number of visits or admissions by patients who responded to the above question in each category.

SB 1718 will be heard in the Senate Fiscal Policy Committee on 4/25/23. HB 1617 has not been heard in the House.

Interstate-Mobility and Universal-Recognition Occupational Licensing Act – <u>SB 1364</u> by Sen. Jay Collins (R-Tampa) and <u>HB 1333</u> by Rep. Traci Koster (R-Tampa) create the "Interstate-Mobility and Universal-Recognition Occupational Licensing Act." The bills require Florida licensing boards that issue occupational licenses or government certifications to individuals relating to the regulations of professions by the Department of Business and Professional Regulation or the Department of Health to issue an occupational license or government certification (universal license) to eligible applicants, under certain circumstances (universal licensing requirement). Under the bills, an applicant with a valid occupational license or certification in good

FAFP Capital Update April 21, 2023 - Week 7

standing, or who otherwise meets the requirements for an occupational license for a lawful occupation, is presumed to be qualified for the license and must be issued an occupational license or government certification by the appropriate Florida licensing board. SB 1366, also by Sen. Collins, authorizes an application fee for the license.

SB 1364 will be heard in the Senate Fiscal Policy Committee on 4/25/23.

HB 1333 has passed 2 of the 3 committees of reference and is now in the House Commerce Comm.

Medicaid Coverage of Continuous Glucose Monitors - <u>SB 988</u> by Sen. Colleen Burton (R-Lakeland) and <u>HB 967</u> by Rep. Melanie Bell (R-Fort Meade) require the Agency for Health Care Administration to provide coverage for continuous glucose monitors under the Medicaid pharmacy benefit to treat Medicaid recipients diagnosed with diabetes who meet certain criteria and requirements, subject to the availability of funds and any limitations or directions provided in the General Appropriations Act.

SB 988 will be heard in the Senate Fiscal Policy Committee on 4/25/23. HB 967 is on the House Calendar.

Medicaid Step Therapy/Mental Illness - <u>SB 112</u> by Sen. Gayle Harrel (R-Port St. Lucie) and <u>HB 183</u> by Rep. Karen Gonzalez Pittman (R-Tampa) require the Agency for Health Care Administration to approve certain prescription drug products for Medicaid recipients for the treatment of serious mental illness without step-therapy prior authorization.

SB 112 is on the Senate calendar.

HB 183 has passed 2 of 3 committees of reference and is now in the House HHS Committee.

Physician Assistant Licensure – <u>SB 454</u> by Sen. Bryan Avila (R-Hialeah Gardens) and <u>HB 1133</u> by Rep. Alex Rizo (R-Hialeah) revise requirements for an applicant for licensure as a physician assistant.

SB 454 is on the Senate Calendar. HB 1133 is in Senate Messages.

Pregnancy and Parenting Support – <u>HB 7</u> by Rep. Jenna Persons-Mulicka (R-Fort Myers) and <u>SB 300</u> by Sen. Erin Grall (R-Fort Peirce) prohibit the use of state funds for person to travel to another state to receive services to support abortion. The bills require DOH to report to Governor and Legislature information relating to Florida Pregnancy Care Network, Inc., and prohibit physicians from knowingly performing or inducing termination of pregnancy after six weeks. SB 300 passed the Senate on 4/3/23 passed the House on 4/13/23 and was signed by the Governor on 4/13/23.

Prescription Drugs – <u>SB 1550</u> by Sen. Jason Brodeur (R-Lake Mary) and <u>HB 1509</u> by Rep. Linda Chaney (R-St. Petersburg) create the "Prescription Drug Reform Act." The bills specify additional prohibited acts related to the Florida Drug and Cosmetic Act, require certain drug manufacturers to notify the Department of Business and Professional Regulation of reportable drug price increases, require such manufacturers to submit certain reports to the department by a specified date each year, provide requirements for certain contracts between a pharmacy benefit managers and a pharmacy benefits plans or programs or participating pharmacies, and require the office to review certain referrals and investigate them under certain circumstances. The bills have an appropriation of \$1.5 million

SB 1550 passed the Senate on 4/19/23 and is now in House Messages. SB 1552 passed the Senate on 4/19/23 and is now in House Messages. HB 1509 was approved by the House Appropriations Committee on 4/21/23 – its last committee of reference.

Protections of Medical Conscience – <u>HB 1403</u> by Rep. Dr. Joel Rudman (R-Navarre) and <u>SB 1580</u> by Sen. Jay Trumbull (R-Panama City) authorize health care providers and health care payors to opt out of participation in or payment for certain health care services by conscience-based objections without discrimination or threat of adverse actions. The bills require notification when such health care provider declines to participate in certain health care services and prohibit certain boards and DOH from taking disciplinary actions under certain circumstances.

HB 1403 is on the House Calendar.

SB 1580 was approved by the Senate Rules Committee on 4/19/23 – its last committee of reference.

Referral of Patients by Health Care Providers – <u>HB 601</u> by Rep. Kevin Steele (R-Hudson) and <u>SB 768</u> by Sen. Jonathan Martin (R-Fort Myers) remove definition of the terms "direct supervision" & "present in office suite" and revise the definition of the term "referral" to remove direct physician supervision and require compliance with certain Medicare payments & rules.

HB 601 has passed 1 of 2 referenced committees and is now in the House Health and Human Services Committee.

SB 768 will be heard in the Senate Fiscal Policy Committee on 4/25/23.

Surrendered Newborn Infants – <u>SB 870</u> by Sen. Colleen Burton (R-Lakeland) and <u>HB 899</u> by Rep. Mike Beltran (R-Valrico) revise the definition of the term "newborn infant" and authorize certain hospitals, emergency medical services stations, and fire stations to use newborn infant safety devices to accept surrendered newborn infants if the device meets specified criteria. The bills also authorize a parent to leave a newborn infant licensed health care professional at a hospital and provide that a parent who leaves a newborn infant in a newborn infant safety device has the right to remain anonymous and not to be pursued or followed.

SB 870 has passed 2 of 3 committees of reference and is now in the Senate Rules Committee. HB 899 has passed the House and is in Senate Messages.

Telehealth - HB 267 by Rep. Tom Fabricio (R-Hialeah) and <u>SB 298</u> by Sen. Jim Boyd (R-Bradenton) revise the definition of "telehealth" to include health care services provided through audio-only means.

HB 267 is on the 4/25/23 House Special Order Calendar. SB 298 will be heard in the Senate Rules Committee on 4/24/23.

Telehealth/Genetic Counselors - SB 218 by Sen. Gayle Harrell (R-Port St. Lucie) and HB 117 by Rep. David Silvers (D- Palm Beach) add genetic counselors to those medical providers authorized to be a telehealth provider.

SB 218 passed the Senate on 3/23/23, passed the House on 4/20/23 and ordered enrolled.

Withholding or Withdrawal of Life-prolonging Procedures – $\underline{\text{HB }1119}$ by Rep. Kimberly Berfield (R-Clearwater) and $\underline{\text{SB }1098}$ by Sen. Colleen Burton (R-Lakeland) regulates the authority of a court appointed guardian to withhold or withdraw life prolonging procedures, or sign an order not to resuscitate.

HB 1119 is on the 4/25/23 House Special Order Calendar. SB 1098 is on the Senate Calendar.
